PRESIDENT'S MESSAGE

We have accomplished so much so far but this coming year will be a challenge. The State is looking at cutting some or all of the library funding which in turn will affect library programs and activities.

The Ontario City Library will be relying on us more than ever—both monetarily and as a voice to be heard. You can help by:

- Encouraging friends to become active members of the Friends of the Ontario City Library
- Volunteer at either the Ovitt or Colony High Branch— get a volunteer application at any service desk
- Donate your gently used books to our book sale
- Fill out Library comment cards and let us know how much the library means to you

This past year we spent almost \$24,000 on programs, supplies and special events. In 2011 we are again sponsoring many wonderful programs with library staff. Check these out on the library's website or in the monthly flyers which can be picked up at any desk.

WE NEED YOUR USED GAMES TO USE AT OUR LIBRARY PROGRAMS

Nintendo Wii games are fun and good for fitness! Do you have gently used Wii video games that you no longer use? Please consider donating them to the Ontario City Library for use at teen game programs at the Ovitt Family Community Library and Colony High Branch Library. For more information, please call 909-395-2225 or 909-395-2014.

Meetings of the Friends of the Ontario City Library are open to all members and interested parties.
